

# PROGRESS 2021 MEETING THE MOMENT

---

**2020 was unprecedented. But with the new year, comes new challenges. How can New Jersey rise to meet this historic moment?**

NJPP invites you to join us for **Progress 2021: Meeting the Moment**. Across the coming months, we will come together virtually for thought-provoking explorations of the many ways in which we can build a fairer, more equitable state.

The inaugural session, scheduled for **April 29, 2021**, will feature a conversation between **Dr. Eddie S. Glaude, Jr.**, best-selling author and Chair of the Department of African American Studies at Princeton University, and NJPP President **Brandon McKoy** focused on envisioning a recovery that centers racial equity. Subsequent panels will delve into issues around investing in a greener future; reimagining community safety; protecting democracy and building good governance practices; and expanding healthcare access.

Progress 2021 will conclude with our annual **Celebration of Progress**, planned for the fall of 2021, which will mark the beginning of NJPP's 25th Anniversary Year.

**Sponsorship packages are now available and range from \$500 to \$15,000.**

Sponsorship at any level will afford you access to exclusive, post-panel, green-room conversations with speakers. All conference sessions will be available at no charge; tickets for the Celebration of Progress will go on sale in June of 2021. For more information about sponsorship opportunities, including benefit and recognition packages, please contact Jennifer Fekete-Donners, Development Director, by emailing [jennifer@njpp.org](mailto:jennifer@njpp.org).
